

Agreed Value Request Form

As part of our cover for classic motorbikes, Bennetts can offer the option of having an agreed value which guarantees the amount you will be paid for your motorbike in the event of a total loss claim. You can apply for an agreed value on your policy by completing and sending us this form and supporting photographs and documents detailed below.

If you need to provide further information on a separate sheet, please include your name, registration and policy number on each additional sheet.

Until the value of your motorbike is agreed by us and by you, market value will apply - please see policy booklet under agreed value section for further information.
